Dear Island Rec Levy Renewal Committee,

San Juan Public Schools Foundation supports the Island Rec Levy Renewal. Through this levy, Island Rec funds our high school sports program which allows our school district to focus on academia. Places to play and sports are important for child development. Athletic participation improves self esteem, teaches time management, builds relationships, improves academic scores, and shows the self-discipline of fitness. All of these help build a well-rounded person. Please Vote Yes for Island Rec on April 27, 2021.

Regards,

Martha Alvarado, Floyd Bourne, Stephanie Buffum, Katie Fleming, Darla Jungmeyer, Kari McVeigh, Brian Moore, Katy Taylor-Jacobson
